

Community Base participant group meeting 20th December 2007

The meeting was attended by Colin (Community Base) and Umit (Mediterranean Resources Network)

1 Apologies

Colin said he had had apologies from Jane from Assert, Zoe from Amaze, the Community and Voluntary Sector Forum and Annette, the building manager, who had gone home earlier with a stinking cold.

2 Car park gate

Colin said the car park gate was still not fixed but should be fixed soon. Until it was fixed people should take special care using the car park and use the South Wing entrance rather than the car park entrance to the building whenever possible.

3 Xmas party

Umit said it had been a great xmas party. Umit was planning to book the conference room more for social events.

4 2008 guide

Colin tabled a copy of the Community Base guide for 2008 that had just got back from the printers. Colin said he was working on translations of the updated guide that should be ready for the new year.

5 National Coalition for Independent Action

Colin tabled a newsletter from a group called the National Coalition for Independent Action that he had been sent by email. The group, which receives funding from the Tudor Trust, campaigns for the independence of the voluntary and community sector. Umit asked for a copy of the newsletter.
